

# The Anchor EZ-Pay Difference

Wouldn't it be great if you could rely on your heating & air conditioning systems to keep your home comfortable year-round—without having to remember to schedule regular maintenance visits?

**Now you can with  
the EZ-Pay Program!**

## Peace of Mind for Less Than \$20 a Month

For a low fee of less than \$20 a month, you'll receive:

## Reap the Benefits of Preventative Maintenance

With the EZ-Pay Program, you'll get the tune-ups your HVAC equipment needs to continue running at peak efficiency. Benefits include:

A black circle containing the text 'Greater energy efficiency' in white.

A black circle containing the text 'Reduced energy bills' in white.

A black circle containing the text 'Home comfort year-round' in white.

A black circle containing the text 'Cleaner indoor air' in white.

A black circle containing the text 'Less risk of carbon monoxide poisoning' in white.

A black circle containing the text 'Fewer repairs needed' in white.

A black circle containing the text 'Longer equipment life' in white.
